23rd *November* 1880.

J. HOUSTON, M. D.,
Surgeon to the Mysore Commn.

Season Report of the Bangalore District for the month of October 1880.

Rain-fall.—The rain-fall was general and abundant throughout the District during the month, and the tanks received a considerable supply of water.

Crops.—Wet and dry crops in good condition. The seeds sown during the month were Bengal-gram, Yedagur paddy and hutchellu ; and those harvested were ragi and ground-nuts.

Health.—Generally good.

Mortality.—The deaths numbered 821 during the month of September, against 947 in the preceding month, being a decrease of 126.
